

TEMPORARY SPECIAL TERMS AND CONDITIONS FOR THE USE OF KAUNAS AIRPORT

Considering that:

- during the period starting 4 October 2025, the operations of Vilnius Airport of JSC Lithuanian Airports (hereinafter referred to as the Company) is being disrupted by repeated hybrid attacks by launching meteorological balloons with smuggled cargo into its airspace, which leads to temporary closures of the airspace;

- due to temporary ad-hoc airspace closures, aircraft cannot land at Vilnius Airport, therefore, aircraft are diverted to other airports, including Kaunas Airport, where they are subject to charges for using Kaunas Airport upon landing;

- after the reopening of the airspace, aircraft landing at Kaunas Airport usually return to Vilnius Airport, where they are subject to charges for using Vilnius Airport upon landing;

- temporary airspace closures due to hybrid attacks using meteorological balloons are unpredictable, uncontrollable, and in no way dependent on either the Company, or the actions of the airlines, but cause significant losses to affected airlines;

and in order to ensure that the charges applied at the airports managed by the Company due to uncontrolled hybrid attacks would not be duplicated, and that the airlines would incur as few losses as possible, and in accordance with Clause 3 of Article 50 of the Law on Aviation of the Republic of Lithuania, the Description of the Procedure for the Approval, Payment and Use of Charges for the Use of the Airport, approved by the Order of the Minister of Transport and Communications No. 3-118 dated 28 February 2011 and the General Terms and Conditions of Airport Use of the Joint Stock Company Lithuanian Airports, approved by the Order of the Chief Executive Officer of the Company No. 1R-91 of 25 July 2025 (hereinafter referred to as the General Terms and Conditions), a 100 % (hundred percent) discount on the aircraft landing and aircraft parking fees set out in the General Terms and Conditions was approved by Order No. 1R-173 of the Company's Chief Executive Officer on 5 December 2025 (amended by Order No 1R-2026-13 of 30 January 2026, Order No 1R-2026-47 of 1 April 2026) for aircraft landing at Kaunas Airport as an alternate airport due to the temporary closure of the airspace around Vilnius Airport, when this closure is caused by observed marks characteristic of meteorological balloons during the period from 1 January 2026 to 31 October 2026.
